Vancouver REIN Workshop – March 25, 2010

Immigration and Its Impact on the Real Estate Investor

Melanie Reuter, MA
Manager, Research & Executive Office

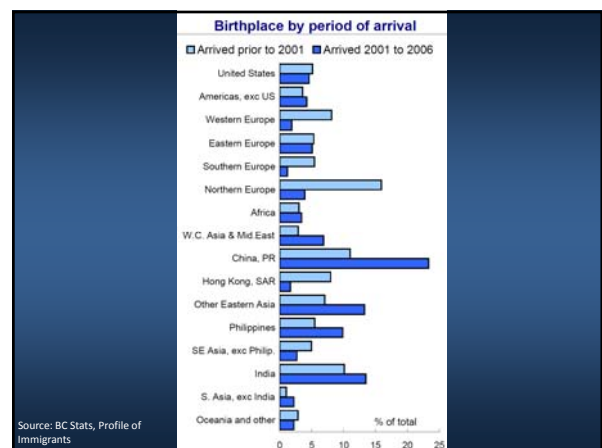

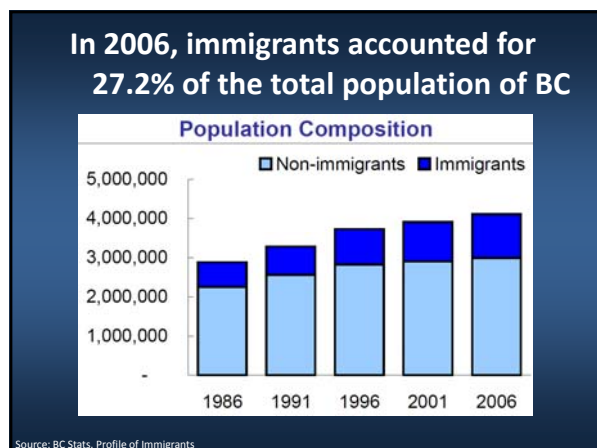

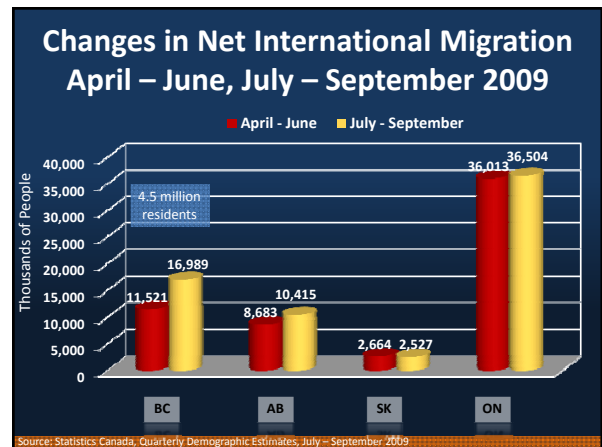

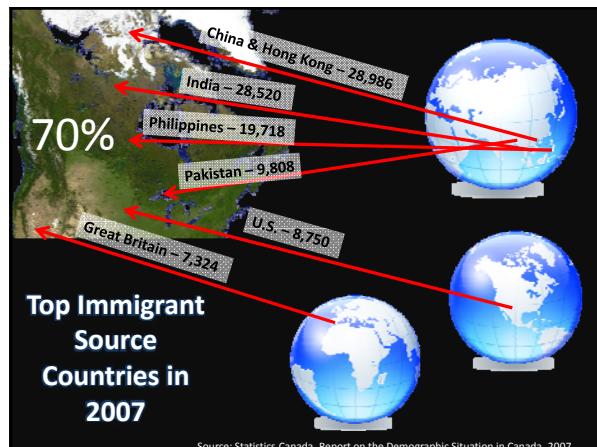

On the need for more Foreign Workers....

“‘Help Wanted’ signs are everywhere. When it starts to affect our ability to go to Tim Horton’s and get a double-double, it ceases to be a laughing matter.”

Then Immigration Minister Monte Solberg (November 2007)

Vancouver REIN Workshop – March 25, 2010

How does it impact your business of investing in Real Estate?

How international immigration affects you

- Immigrants account for 20% of low –wage workers
- According to the Urban Institute Immigration Studies Program, nearly 1/5 renter households are occupied by an immigrant family
- ½ of all newcomers in Montreal, Toronto, and Vancouver changed their address within the first 30 weeks of arrival

Immigration and Real Estate

General Characteristics of Household Patterns of Immigrants to Canada

- Live in much larger households than average Canadian household (3.7 persons compared to 2.5)
- Average family income is about \$10,000 less than average Canadian household income

Source: CMHC. Settlings In: Newcomers in the Canadian Housing Market. February 2009

Renting is highest among West Asian and Arab immigrants and ownership is highest among Asian and southeast Asian.
