

CMHC 1 – 4 UNIT RENTAL PROPERTIES

CMHC's mortgage loan insurance for 1 – 4 unit rental (non-owner occupied) properties provides investors with more housing finance choice when purchasing or refinancing a small rental property. Investors can purchase a 1 – 4 unit rental property with little or no down payment. Investors interested in refinancing can obtain insured financing of up to 95% of the property's value, depending on the number of units in the property.

Application processing is streamlined through **emili**, CMHC's mortgage loan insurance approval system which provides a quick turnaround time on application decisions, in most cases, within 15 seconds.
