**Agenda**

- 5 Reasons to Stage a Rental Property
- 2 Areas you MUST Always Stage
- Costs of professional staging
- How to Stage-in-an-hour
- Secret Tips

**What Is 'Staging'?**

Staging expresses the individuality of a home by highlighting the best features and defining the space's purpose.

**Staging is used for...**

Selling

Living

Renting

# Staging Your Property w/ Donna Ragona of Suite Design

Presented December 2010 Exclusively to the Members of  
REIN™

**Tonight's Focus...**

I'm going to show you...  
how to make **your** property **stand out**  
and **receive more rent**

*Suite design*

**Why Stage My Rental?**

- Stand out from the competition
- Target ideal A&B tenants
- Avoid extra expenses & mort pymts
- Get top rent - increase **cash flow**
- Eliminate vacancies much faster

*REMEMBER TO...*

**S.T.A.G.E.**

**Another 5 Reasons to Stage Your Property**

- 1) **Build** an emotional attachment (warm & inviting place to live)
- 2) **Highlight** positive characteristics and focal points addressed in your advertising (fireplaces, finished basements, eat-in kitchens)

**5 Reasons (Continued)**

- 3) Turn a **negative** into a **positive** (use small sq footage properly)
- 4) **Create** better looking online pictures
- 5) Help "Close" tenants; NOW they can visualize the space better

**Benefits to Staging your Rental**

Clean vacant rental	After Staging – The WOW rental
	

*Suite design*

- ✓ Focal point highlighted
- ✓ Warm and inviting
- ✓ Tenants can visualize
- ✓ Great pictures

**More Benefits...**

Cold looking - uninviting basement	After staged – another living space
	

- ✓ NOW warm and inviting
- ✓ Tenants can visualize
- ✓ Gives purpose to the space
- ✓ Great Pictures

REIN™

### Possible Negative ...

Small square footage

Will my stuff fit?

Suite *design*

### Purely Positive!!!

Small square footage

YES ➔

Room appears larger

✓ Carpet balanced in the MIDDLE of room  
✓ However, bed is away from the doorway

LIGHT ON

### Shifting Focus...

BEFORE

Tenant's eyes drawn to:  
Ugly radiator  
Bare Window

AFTER

✓ Focal point highlighted  
✓ Warm & inviting  
✓ Visualize space  
✓ Better pictures

### Professional Staging What is involved?

- ❑ Visual assessment of your property
- ❑ Taking pictures & measurements if necessary
- ❑ Recommending solutions with a detailed report
- ❑ Possible renting ideal (sized) furniture and accessories
- ❑ Arranging furniture to highlight space and allow people to move around easily
- ❑ Adding detailed accessories

### How Much Does It Cost?

- ❑ In-person Consultations – most start at \$100
- ❑ Virtual consultations – email / phone (NEW - not all offer it – prices vary)
- ❑ Rental furniture – per month and prices differ from suppliers

### Example Room – Average Cost

➤ Sofa  
➤ Chair  
➤ Coffee Table  
➤ Side Table  
➤ Lamp  
➤ Rug  
➤ Artwork  
➤ Accessories

YIKES

\$439/month

REIN™

**Introducing the Most Cost Effective Solution**

**SOLUTION**

*Suite design*

**Corrugated Furniture**

**FROM THIS**

**TO THIS**

**Corrugated Example - Family Room**

*Sd*

**Corrugated Example - Entrance**

**NOW – Have All of This**

*Suite design*

**2 Key rooms you MUST stage**

**Entrance** – People make their first impressions in the first 30 seconds of entering. Make this area as welcoming as possible (small inexpensive table, prints, plant).

REIN™

## 2 Key rooms you **MUST** stage

**Bathrooms** –towels, candles, prints, fake plants can really warm up a bathroom. Make sure the bathroom is sparkling clean. There are many low cost options for lighting that can be used if the current lighting is out-dated.

**Both Rooms Under \$100!!**

Sd

## Stage-in-an-Hour

MOST IMPORTANT!

**Clean, Clean and Clean**

**Remove odours**

- Flowers / Potted Plant / Arrangements when possible – (outside)
- Entrance – print / small plant / rug
- Bathrooms – clean white rolled towels / scented soaps or diffusors
- Kitchen – print / inexpensive accessories (fake fruit, bowls)
- Brighten by changing bulbs (use daylight cfls/13w=60 or more)

## A Quick 10 Minute Stage

Before – nice clean bathroom

After – inviting and adds warmth

## Does Staging Work?

VACANT PROPERTIES: CSP study (Jan 09-Dec 09)

- 117** vacant homes – staged before went on market...sold on average in 42 days.
- 87** vacant - not staged properties – sat previously on the market for 277 days unsold. After staging they sold within 63 days on average.

**78% less time on market**

## Home Prep Statistics

- Average return on investment for certain improvements when selling a house

Improvement Project	Average Cost	Home Price Increase	R.O.I	% of Agents Recommending
Clean & De-clutter	\$100 - \$200	\$1500 - \$2000	872%	98%
Home Staging *	\$300 - \$400	\$1500 - \$2000	586%	82%
Lighten and Brighten	\$200 - \$300	\$1000 - \$1500	572%	95%
Repair Plumbing	\$300 - \$400	\$1000 - \$1500	327%	88%
Replace or Shampoo Carpets	\$400 - \$500	\$1000 - \$1500	295%	97%

\*Staging done by owner

Summary of HomeGain's 2009 National U.S survey

Suite *design*

## Simple Staging Tips

Start with the REIN 'renovation rent ready' checklist to ensure property is in the best condition to accept staging.

- ✓ Make it bright – lights on, blinds/curtains open
- ✓ Mirrors – make areas appear larger
- ✓ Use neutral paint colours

# Staging Your Property w/ Donna Ragona of Suite Design

Presented December 2010 Exclusively to the Members of  
REIN™

- ✓ Instead of real candles, use battery operated
- ✓ Keep driveways/walkways clear (snow, ice, garbage)
- ✓ Keep temperature comfortable according to season (programmable)
- ✓ Keep toilet seats down and closet doors closed

## Bonus Secrets!!

- ✓ Transform appliances to stainless steel with peel and stick film ([www.stainlesssteelfilm.com](http://www.stainlesssteelfilm.com) or [www.ezfauxdecor.com](http://www.ezfauxdecor.com))
- ✓ Peel and stick options available for backsplashes (Home Depot has various styles and options)
